

# WESTWOOD NEIGHBORHOOD COUNCIL

August 13, 2025

Agenda Item # 13 A

## **Civil Rights Protection - CF 25-0694**

### **Motion**

The Westwood Neighborhood Council (WWNC) joins the Central Hollywood and Harbor Gateway North Neighborhood Councils in their support of CF 25-0694. Further, the WWNC supports all efforts by the City of Los Angeles to stop the illegal activities of the Federal government and its personnel regarding the stopping, questioning, detaining or arresting Los Angeles residents without reasonable suspicion or without valid warrant, in violation of their constitutional rights. Therefore, we support the City Councils request that the City Attorney prioritize immediate legal action to protect the civil rights of our residents.
