

# WESTWOOD NEIGHBORHOOD COUNCIL

September 11, 2024

Agenda Item # 10D

## **Request a Homeless Reporting Dashboard for the City mirroring the Culver City Dashboard**

### **Motion**

“The Westwood Neighborhood Council urges the City of Los Angeles to promptly establish a new central Homeless Reporting Dashboard on the City's website, mirroring the Culver City Homeless Reporting Dashboard, that is clear, open, honest, transparent and easily accessible by the public. NCWP further requests that Councilwoman Park take appropriate action to effectuate establishment of such a new central Homelessness Reporting Dashboard in Los Angeles.”

Background: Culver City has established a very clear, accessible central Homeless Dashboard:

LA City does not have such a central Dashboard or any clear Dashboard or webpage similar to Culver City's. There are webpages on the LA CAO's and Controller's websites providing some homeless data, but these are not clear, not easily accessed nor understandable for the public, as is the Culver City Dashboard.
