

WESTWOOD NEIGHBORHOOD COUNCIL

August 13, 2025

Agenda Item # 16 A 1

Support Heavy Rail Underground Subway Mode of Transportation; Oppose two proposed Monorail Options for the Metro Sepulveda Transit Corridor Project (STCP)

Motion

“The Westwood Neighborhood Council, a member of the Westside Regional Alliance of Councils (WRAC) opposes the two proposed Monorail Options (Alternative 1 and Alternative 3) due to their significantly lower ridership projections and lower capacities, and their significantly slower speeds and longer travel times, and supports the proposed underground Heavy Rail subway mode of transportation through the Sepulveda Pass because it will carry significantly more passengers than the proposed Monorail mode of transportation. The Heavy Rail mode of transportation is described in the Draft Environmental Impact Report (DEIR) for the Sepulveda Transit Corridor Project, released by Metro on June 2, 2025, in the discussion of Alternatives 4, 5 and 6.”
