Dear Westwood Neighborhood Council,

D4 Communications on behalf of T-Mobile is requesting approval for a new wireless telecommunications facility at the above referenced address. The application has been submitted to the City of Los Angeles and should be received by the Westwood Neighborhood Council shortly. In a good faith effort, we ask for the Council to please give any input they have on the proposed project.

The proposed installation consists of 9 panel antennas, 1 microwave antenna and 6 RRUs installed behind new RFP Screening on the rooftop of the parking facility. Five (5) radio cabinets and utilities will be installed within a 20'0" x 12'0" lease area on the rooftop, also behind RFP screening.

Please contact me at (805) 637-0339 for any questions or requests for additional information.

Respectfully,
